

**Sale Name:** Full House of Goodies in West Marietta! Hosted by Park Avenue Estate Sales

**LOT 70 - Magazine rack display shelf thingy**

**Description**

I don't know what exactly to call this thing, but it is cool! You would be so lucky to win this auction!!! How's that? It is meant to sit on the floor or a table, but I suppose you could mount it quite easily as well. It stands approximately 36 in tall by approximately 20 in across and 7 in deep. Your magazines would be very excited to be placed in this rack
