LOT 135 - National no. 66 hand turned grinder

Description

If you enjoy sandblasting and restoring old tools, this would make a nice project. A vintage grinder that you mount to a table and crank. I've seen these fetch upwards of \$100 on eBay, but I can't imagine this one would get anywhere near that with the work that needs to be done to it. Everything is pretty frozen solid right now. Grinding wheel is 8" in diameter
